RAINFALL WEATHER GAUGE READINGS
For the week 1.89
For the season 3.01
By Dick Wallace

Said In Cypress

That we are ful of the holiday spirit — and we're glad. We hope every one of our readers feels that same lift which is akin to the Christmas season. We've tried to capture it in this week's issue — and hope you like it.

That we know the Rev. W. V. Buckner had a birthday last Sunday, and his wife and daughter called him from Tulsa. Many belated happy returns of the day. No, we didn't tap any wires to find out about this. Glad news just gets around.

That we have Clyde Arnold to thank for adding a little merriment to the current season. He was dispensing mistletoe on Monday. Drove clear down to Elsinore Sunday to get it. A fine branch of it hangs in our little house, and we know samples found their way into several homes and offices hereabouts.

That we always try to find information valuable to our readers in line of duty. But we have never been able to determine just what the law is concerning the corner in Hawaiian Gardens where the electric signal is, if you're coming back from Los Alamitos and want to turn to the right and the light is red. We've asked several officers, including a state highway patrolman Tuesday. He didn't know exactly — said it was one of those cases that would have to be settled in court in event there was an accident. His opinion indicated that the opposite corner is known as a "free" corner. If you were turning right off Carson towards Artesia, it would not be necessary to stop on the red light. We can only hope that none of us has occasion to test this point of law.

That Leona chided Barney about the old hat he was wearing Tuesday. Considering the type of work he is doing this week, hauling and spreading "that stuff," Barney didn't consider the job called for anything dressy. Undaunted Leona went next door and purchased a suntan chapeau, and now Barney works in style as he hauls another load away.

That we "lifted" the following poem from another column, which we thought was kinda' cute. Sort of self defense, y'know.

When The Newspaper Doesn't Come . . .

My father says the paper he reads ain't put up right;
He finds a lot of fault, too, he does, perusin' it all night;
He says there ain't a single thing in it worth to read,
And that it doesn't print the kind of stuff the people need;
He tosses it aside and says it's strictly on the bum,
But you ought to hear him holler when the paper doesn't come.

He reads about the weddings and he snorts like all get out;
He reads the social doin's with a most derisive shout,
He says they make the papers for women folks alone;
He'll read about the parties and he'll fume and fret and groan.
He says of information it doesn't have a crumb—
But you ought to hear him holler when the paper doesn't come.

He is always first to grab it and he reads it plumb clean through.
He doesn't miss an item, or a want ad—that is true.
He says they don't know what we want, the darn newspaper guys;
"I'm going to take a day some time and go and put 'em wise;
"Sometimes it seems as though they must be deaf and blind and dumb."
But you ought to hear him holler when the paper doesn't come.

That it won't hurt to say it once more — because we really mean it! Merry Christmas!

MAY REACTIVATE SUGAR FACTORY IN LOS ALAMITOS

Utilization of the 100,000 square feet of ware house space in the two huge buildings which serve as the principal units of the one-time sugar factory on Los Alamitos boulevard, at Spring street as a factory to turn out materials under government contract may result from conferences being held in Washington, D. C., by Thayer Thorndyke, present owner of the property, it has been revealed.

The history of the factory is practically the history of Los Alamitos itself because 48 years ago in 1901, the sugar company first moved in. For the next 22 years, the place hummed with activity. At times, two and three trains would come into town and unload at freight sheds long since disappeared.

The company stopped refining sugar 26 years ago and the factory stood idle until a dog food factory moved in and used it from 1934 until 1944.

During the war, Douglas Aircraft took it over and used it until near the war's end.

Kids To See Santa

Santa Claus will greet all the good little boys and girls in Cypress Saturday afternoon at one o'clock. The annual party sponsored by the Cypress Chamber of Commerce will be held on the vacant lot at Lincoln and Walker.

There will be a present for each child as he meets jolly old Saint Nick. Parents are urged to attend with the tiny tots to avoid any confusion which might result when the children see Santa and receive their gifts from him.

The committee in charge of the chamber's celebration for the kiddies is Mrs. Leona Murdock, Frank Stewart and Mrs. Jack Junker.

Forrest Lowrey will attend to a loud speaking system to aid Santa as he talks to the kiddies.

CYPRESS AREA GIVEN THREE NEW SERVICES

Two local men and a set of partners have set up in business in the Cypress area during the past few weeks, although they actually do not occupy space down town.

The Cypress Electric company, which is engaged in electrical contracting and maintenance, is run by G. E. Rust, 5862 Lincoln avenue. He is well known in this area.

Thomas B. Murphy, 4942 Bishop street, is a plumbing contractor. The family has lived in Cypress for some time.

Advertising for the first time time this week are Ed Hubkey and Vern Farrar, who will carry on a refrigeration service. Their shop is on Lincoln avenue near the Moon cafe. Mr. and Mrs. Hubkey and their family live at 5662 Bishop street, Cypress.

PARENTS VOTE FAVORING NEW SCHOOL HOURS

By a tally of 88 in favor and 17 against, parents returned questionnaires sent out by local school officials showing that they favor continuing the policy recently inaugurated to start classes at 8:30 a.m. in the upper grades. Dismissal time is 2:30 p.m.

The school buses arrive at the grounds by 8:20, and under the old routine when classes pegan at nine a.m., too many children were being exposed to the damp and cold, causing illness.

Miss Elizabeth Dickerson, school superintendent, points out that the last Sunday in April will see the beginning of daylight savings time in California. This means that the children will be out an extra hour earlier in the mornings.

School officials also based their reasons for making the change on the premise that it will help in the new building program to have the youngsters inside the buildings earlier.

The plan was tried before the vacation period in the fourth through eighth grades, and will be continued when school starts again on January third.

School Gate To Be Open Extra Days

At a meeting of the school board Monday morning, it was decided that the school grounds will be open from 8:30 a.m. to five p.m. on Saturdays and all vacation days.

Because of damages to the gate it was deemed advisable to open it for those who wish to play on the grounds. This program will remain in effect during the remainder of the year. Sundays and holidays are not in the schedule, and there will be no supervised play.

This decision would seem to be a fine gesture on the part of the school board to provide adequate facilities for outdoor play to the children of Cypress.

AUXILIARY GIVES XMAS PARTY — PACKS BUILDING

Monday evening's Christmas party, held at their meeting hall at Lincoln and Miller road, proved to be a great success for the VFW Auxiliary hostesses.

Honoring their families and friends, over 60 persons were in attendance. The hall was decorated in the spirit of the Christmas season, with a lighted Christmas tree, under which the presents were heaped.

Santa Claus, in the person of Glenn Begley, delighted the children with gifts and candy canes. He also presided over the gift exchange among the adults.

The party was preceded by a pot luck dinner. Della Priddy, Ellen Jennings, Beth Reisig and Louise Begley were the committee in charge.

PAPER ADDS SERVICE

In order to provide our subscribers with news of interest from the county court house, the ENTERPRISE has added the services of George Hart, of Santa Ana, who will "cover the court house beat," bringing you news of interest as well as information on the latest proceedings of the various county officials and boards.

Lead Bowlers Lose All Four

Although they still hold the lead in the Tuesday handicap league, Cypress Merchants No. 2 bowlers lost four straight points this week to the cellar-dwelling U-Tel-Em Market of Buena Park. Salty Falls was high with a series of 549, and top game of 205.

Now tied for second spot in the standings, the Merchant No. 2 team won and lost two to the Buena Park Lions club. Foster Noe hit a 211 in that series, while Clyde O'Neal rolled a 198.

Triangle Advances

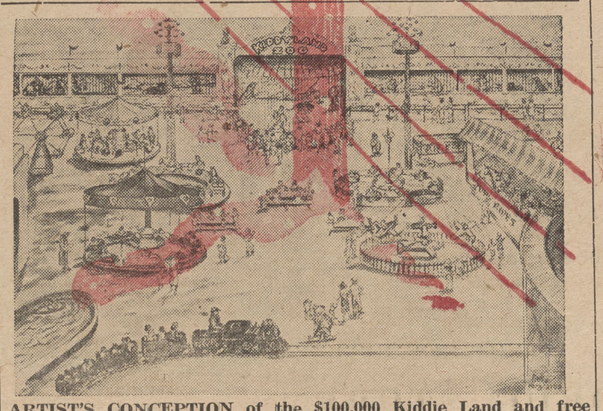

Charlene (Charley) Falls and Zedith Hathcock led the Triangle drive in's women bowlers in the Wednesday Women's handicap league as they took two games to one from Bee's Duck Inn of Buena Park. Charley hit a 160, while "Zee" followed closely with a 152.

ARTIST'S CONCEPTION of the $100,000 Kiddie Land and free public zoo to be built on the Nu-Pike, Long Beach, the first of the year. Scores of wild beasts and birds will occupy the new zoo, bringing to reality a dream of the City of Long Beach for a free zoo. Work will begin about January first.

THUS, ON THE FIRST CHRISTMAS, THE WISE MEN CAME TO BETHLEHEM, BEARING HIM GIFTS. AND THEREAFTER, DOWN THROUGH THE CENTURIES AT THIS SEASON OF THE YEAR, THROUGH THE GIVING OF GIFTS, MEN HAVE REAFFIRMED THE SPIRIT OF LOVE AND GOOD WILL THAT THE CHRIST CHILD'S BIRTH BROUGHT TO THIS EARTH. AS WE GIVE, AND AS WE RECEIVE, LET US REMEMBER THE SPIRITUAL SIGNIFICANCE OF THIS CUSTOM.

Merchant Cagers Drop Close One To Williams In Anaheim League

Although they held a 17 to 16 lead at the halftime, the Cypress Merchants' cage team was nipped Monday night by Williams sporting goods of Anaheim 46 to 43 in the Anaheim league.

Cypress' scoring was well distributed, and they kept in the ball game all the way. It was in the final moments, however, that Williams' Kenny Knapp, making the last of his 17 point total, spelled the doom of the locals.

Bob Hoyt, Cypress forward, lead the Merchants with 14 points and Jimmy Wright followed with 10. Mene counted 9 markers.

This was the Merchants' second loss in league play.

HELEN BROADBELT PRESENT SATURDAY AT ALL-NAVY GAME

Mrs. James Broadbelt, who won beauty honors in a recent contest sponsored by American Legion posts in the Los Angeles district, was present Saturday at the All-Navy football game in the Coliseum as a member of the queen's court.

Chosen by the navy to reign over the festivities given for navy relief and rehabilitation, Helen was a member of Queen Virginia Mayo's court of honor.

Accompanied by marine and navy guards, the group took the center of the field at half-time, when Virginia drew lucky numbers out of a fish bowl for prizes. The numbers appeared on the football programs.

The court, and Michael O'Shea, husband to Miss Mayo, sat first on the Campe Pendleton side, and then changed to the Quantico side at half-time.

Teen-Age Girls Entertain Boys At Xmas Party

The rumpus room at the Jake Van Dyke home, 5252 Orange avenue, was the scene Saturday evening of a lively Christmas party for teen-agers. The girls entertained the boys at what was termed a very successful social gathering.

Games, in which the guests participated, were the planned activities for the evening. The hostesses served sandwiches, cake, potato chips and punch at refreshment time. Decorations were in keeping with the holiday theme.

Teen agers participating were Clayton Leffler, Dolores Coehlo, Joe Mello, Whitney McLaughlin, Peggy Flynn, Tommy Cook, Warner Gedney, Vance Newkirk, Helen South, Lollie Slabaugh, Sonny Austin, Shirley Ann Van Dalsen, Betty Ann Murphy, Robert Van Dyke, Stanley Miranda, Beverly Cook, Don Wing, Shirley Boudreau, Kenneth Van Dyke, Chuck Bell, Verda Van Buskirk, Duane Duncan, Kay Kelliker, Louis Stevens, and Rosemary Johnson.

William Todd Summoned At His Home

William Todd passed away on December 18 at his home, 6202 Lincoln avenue, Cypress, after an illness of long duration.

Born in England August 5, 1886 he came to the United States 35 years ago. His home had been at Cypress for the past 16 years. He was a naturalized citizen.

He leaves his wife, Jane Hile Todd, two sons, Wm. Todd, Jr., and Thomas H. Todd, and five grandchildren, all of Cypress; 3 sisters and 2 brothers in England.

The funeral was held on Wednesday at 2 p.m. at the Renaker chapel, with Rev. Howard S. Congdon, pastor of the Presbyterian church of Anaheim, officiating. Interment followed at Sunnyside Memorial Park, in Long Beach.

Town's Best Xmas Gift; Replace Old Fire Truck

PREDICT APPROVAL OF P. E.'S PLEA TO TAKE OFF CARS

The Pacific Electric passenger line between Los Angeles and Bellflower should be continued, but the remainder of the Santa Ana line abandoned.

This was the recommendation handed down recently by the State Public Utilities commission by T. A. Hopkins, commission engineer.

The P. E. argues that it is losing over $200,000 on the Santa Ana line alone.

Santa Ana city council is violently opposed to the P. E. proposal to scrap its red cars. Representing Santa Ana and other cities in Orange county is Dr. Cecil L. Dunn, economic analyst of Occidental college.

DOCTORS SAY DICKINSON'S ARM IS SAVED

Wesley Dickinson, well known in Cypress as an associate of the iate Grace Wiley in her reptile zoo, was bitten several weeks ago by a rattlesnake in his own zoo in Long Beach.

Dickinson flew to Chicago to consult with a surgeon who had saved his life in India after he had been bitten by a cobra. Last week a skin graft was performed on his arm and a tendon transplantation will be attempted in four or five months. At present Dickinson can lift his fingers but is unable to grasp anything.

The doctor's report would indicate that he won't have much more use of his arm than from an artificial hand.

Sunday School Class Party At Holborow's

Mr. and Mrs. A. B. Holborow, 8611 Walker street, entertained the members of Lloyd Shirey's Sunday School class at the Cypress Church of the Nazarene last Saturday evening, at a party in keeping with the Christmas holiday.

The games planned for the evening's entertainment were arranged in a novel and unique manner. Divided into three groups, they were typical of three of the seasons. The back porch was decorated at one end to represent spring, with May baskets, talisman roses and maidenfern predominating, while the opposite corner bespoke of the fall season, complete with dry branches, colored leaves and berries. The living room suggested winter, with Christmas trimmings throughout. Rev. W. D. Howard had charge of the games.

Mrs. W. D. Howard presided at the refreshment table, where cookies, mints and hot spiced cranberry juice were served.

Those present were Mr. and Mrs. J. T. Thrower and children, Artesia; Mr. and Mrs. Rolla Rhodes, Hawaiian Gardens; Mr. and Mrs. Lloyd Shirey and Mr. and Mrs. Hal Shirey and son, of Los Alamitos; Mr. and Mrs. Melvin Callahan; Mr. and Mrs. Joe Ferguson; Mr. and Mrs. Leon Ferguson; Mr. and Mrs. Roy Acres and son; Mr. and Mrs. Victor Konig and children; Mr. and Mrs. Jack Junker and children; Mr. and Mrs. Stanley Martin; Rev. and Mrs. W. D. Howard and Mr. and Mrs. A. B. Holborow and children.

Low Teen Kids! Party For You!

Gather 'round, low-teens, at the school utility room Tuesday evening. (That's December 27.) They're giving a party, especially for you.

The Christmas party is scheduledfor 7:30 p.m. Parents and ninth grade are invited also.

Firemen Tell Name of Band For Big Dance

"Bee's High Hats" will play for the New Year's Eve gala dance affair at the local fire station. Sponsored by the Cypress volunteer firemen's association, the public is invited to attend.

Special decorations and New Year's Eve novelties will add to the festivities.

Tickets may be purchased from any member of the department for $1.50 per couple.

Urge Members To Pay Dues — Attend Dinner

Plans are going forward for the dinner which Commander H. J. G. "Happy" Kreissler is giving in January to all paid up members of Cypress Post No. 9847 of the VFW and its Auxiliary.

To consist of chicken and all the trimmings, Kreissler stated this week that the affair will probably be held in the school house.

Admission will be by 1950 membership card in either organization, only. However, any new members who make proper application and pay admission fees will be invited. The deadline is December 26.

The only requirement to join the VFW is to have served over seas in any war.

Post Office Announces Mail Policy

Mrs. Ruth Pugh, postmaster, states that the post office will be closed Saturday afternoon, Sunday and Monday for the Christmas holiday.

Patrons are advised, however, that the last mail on Saturday will be distributed. The employees will aid in opening the post boxes up to the time of their leaving. But no outgoing packages will be handled past noon Saturday.

The mail truck does not operate over the holiday. The first mail will come into Cypress, as usual, on Tuesday, December twenty-seventh.

Eva Lovitt Dies Monday at Home Of Sister

Miss Eva Bell Lovitt died early Monday morning at 7771 S. Walker street, Cypress, where she made her home with her sister, Mrs. Myrtle A. Forbes.

Two brothers also survive, D. C. Lovitt of Buena Park, and W. E. Lovitt of Paramount.

Miss Lovitt was born at Wellington, Kansas, on May 2, 1883.

Funeral services are planned for Thursday, December 22 at 2 p.m. at the Renaker chapel with Dr. Albert R. H. Miller, pastor of the Congregational church, officiating.

Interment follows at Loma Vista Memorial Park near Brea.

An up-to-date piece of modern fire-fighting equipment was delivered to the Cypress fire station on Monday. When members of the volunteer department responded to the siren's call to meeting on Tuesday evening, Supervisor Ralph McFadden was present to make formal presentation of the truck, new to Cypress, for the community's use.

The volunteers were given an opportunity to study the vehicle, which will require new techniques and handling methods over the older model. Normally a practice night for the local boys, a great deal of enthusiasm was expressed over the acquisition.

The truck is not only an added improvement over the old one, but it gives a good impression in a community which is growing as fast as Cypress.

The out-moded truck, which has served this district faithfully and well for the last several years, has been turned back to the county. Fire control in unincorporated areas is set up on a county-wide basis.

USE VACATION AT SCHOOL HOUSE FOR IMPROVEMENTS

Outside and inside, work is going forward to further improve the school property.

Forms have been laid and cement was poured Monday and Tuesday to complete a new sidewalk and curb on the east side of the auditorium, along Grindlay street. Dan T. Mackay, school secretary, states that the work will soon be completed.

Outside, work is progressing on the renovation of the lawns. Custodians are cleaning and putting the rooms in order for another term of school.

TRAIN HITS CAR ON LINCOLN AVE. P. E. CROSSING

Late Saturday evening, about 11 p.m., a smash-up occurred at the Lincoln avenue crossing when a Pacific Electric car struck an auto.

The car, which belonged to E. Aguilar or Pine street in Los Alamitos, had the whole right side ripped and torn.

However, the car was driven home under its own power. No one was reported as hurt.

Nazarene Services Friday Evening And Sunday A. M.

Members and friends in Cypress are invited to attend Christmas services Sunday at the Church of the Nazarene.

The Rev. W. D. Howard has announced a continuous service that morning to begin at 9:45 and continue through until eleven o'clock. Charles Martin will speak on the Christmas Bible school lesson, followed by Mr. Howard's morning address on the subject, "Make room for the Master."

Special music will be furnished by the church choir and Mrs. A. B. Holborow, soloist.

Friday evening the members of the Sunday school will give their Christmas program. Divided into two parts, 60 youngsters will participate in the first half which tells the Christmas story in poetry and song.

The second part will be a play by the intermediate and senior departments entitled, "The other wise man." The program starts promptly at 7:30 o'clock. The public is invited to attend.

After the program there will be a Christmas tree and treats for the boys and girls.

The young people's class will enjoy a Christmas party following dismissal .

A CONTINUING CHRISTMAS

A minister of the gospel was widely quoted several years ago as saying in a Christmas sermon, in substance, that on Christmas Eve people are more normal than at any other time in the year; that at this season they are more loving, forgiving, and generous in thought, word, and deed, and more nearly resemble their true Christlike nature. At this season, he said, the heart opens wide its half-closed doors to kindness in both giving and receiving. If during the year, one were at odds with one's neighbor or a member of the family and did not know what his attitude should be, he need only ask himself what he would do about the situation if it were Christmas Eve. The answer would always be to love and forgive. This would be the normal way.

On Christmas Eve the world about us seems to take on a new, almost awe-inspiring gentleness (which may seem less apparent to us the rest of the year) as neighbors, friends, and even total strangers greet us in passing with smiles and a wish for a Merry Christmas. How mellow our thoughts become toward everyone near and far as we listen to the Christmas carolers and join in the expansive sense of universal good will . . . — The Christian Science Monitor.

CHRISTMAS JOY

The joy of Christmas is always with us all year long, from year to year the songs ring out the joy of Christmas. Long ago the bells first rang out the unbroken song of "peace on earth, good will to men" and that was the joy that brought us Christmas. Now Christmas is the traditional time of giving gifts to show our love for Christ.

On Christmas morning in every home there is the excitement that Santa Claus left behind him. All the little children are so happy that Santa didn't forget them.

If I could make a Christmas wish this is what I would wish. That other people that weren't so fortunate as I would know about the spirit of Christmas, and would learn about and love Christ. — **Doris Simmons, 6-1**

FINAL TEXTS PRINTED FOR BIBLE READING

Below are the texts to be followed for those who have engaged in the world-wide plan for reading the Bible. Since Thanksgiving, suggested texts have been printed, which were prepared by the American Bible Society this year.

"The book to live by" was the nation-wide theme.

(Ed.'s note: The little bit of factual poetry below was submitted by Mrs. Helen Vezina, 5652 Bishop street. It was written by her younger sister, who lives in L. A.)

"CHRISTMAS POEM"

by Elvera Matson

"I was walking down the street just as nice as nice could be
When I saw a little fellow come screaming up to me.
He had a little letter tucked inside his tiny mitt
And when he asked me for a stamp, I almost had a fit.
For 'twas plain to see, 'twould get nowhere covered as it were
With grimy little finger prints and letters all a-blur.
But I carefully took it from him and I searched for some small clue
For I wondered where 'twas going and whom 'twas going to
I quickly found my answer and I mailed the letter there
And the dirty little finger prints caused me not a care.
For when looking the whole thing over, I liked the spelling flaws
And I knew 'twould be understood when received by Santa Claus."

I RISE TO REMARK
by John Phillips

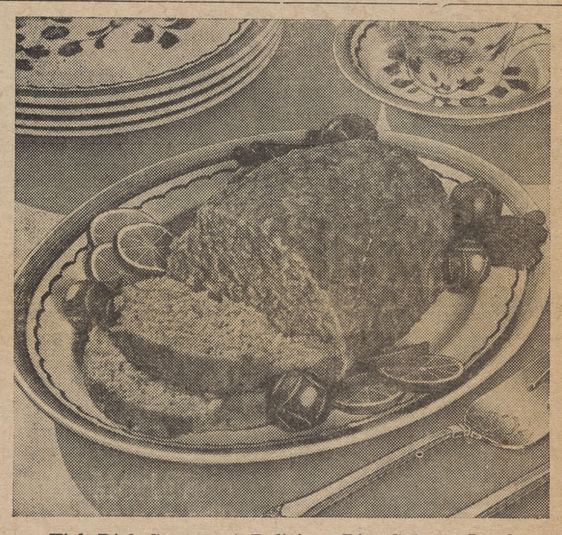

The days roll by and become months and before we know it the months add up to a year. Here it is the end of December and once again this weekly letter to the home folks interrupts its reports on the increasing centralization of government power, and the peculiarities of bureaucrats, to rise and remark

MERRY CHRISTMAS

There are lots of things to say, but let's forget them for a week and recall only that this is not just an annual holiday, but is in fact the birthday of the Prince of Peace, the man on whose shoulders all government was to rest. This is a nation committed to peace and to His teachings, and on them and on the simple principles of honesty, truth, integrity and friendship, we may still find and keep peace and liberty in a worried world.

I might make a Christmas wish for you. I borrow it from my good friend, Cliff Clevenger, Representative from the 5th Ohio District, beside whom I sat for four years on the Committee on Agriculture and who later followed me to the Committee on Appropriations. I have just received his Christmas card. This is what it says: "What I want for you for Christmas . . . a government that can live within its income . . . and without most of yours."

Old friends in their former home town of Joplin, Missouri, C. H. Barkley, now of Snelling, is visiting Mrs. Irene Santhoff.

Fish Dish Supreme! Delicious Rice Salmon Loaf

Rice Salmon Loaf

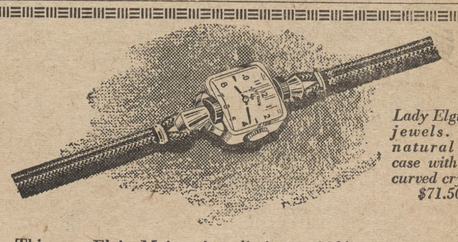

Here's a delicious main-dish that's sure to be one of the family favorites. It combines popular salmon, fluffy white rice and tasty seasonings into a luscious baked loaf that's quick and easy to make. It's a real budget-saver, too!

Ingredients:
1 cup cooked rice
¾ cup buttered bread crumbs
2 eggs, beaten
½ teaspoon salt
½ teaspoon celery salt
⅛ teaspoon pepper
1 tablespoon chopped onion
1 tablespoon chopped parsley
1 tablespoon chopped pimento
4 cups flaked canned salmon

Combine ingredients in the order listed and place in a buttered loaf pan or ring mold. Bake in a moderate oven, 350 degrees, for 30 or 40 minutes. Turn onto a serving platter.

Serve loaf with buttered peas and carrots or, if ring mold is used, fill the center with this complementary vegetable mixture.

Garnish with radishes, pickles and lemon slices. Serve with cream sauce or lemon sauce.

New Jaysee Alumni Ass'n. Plans Dance

All former students and friends of Fullerton junior college are cordially invited to attend a Reunion Dance on Wednesday evening, December 28, 1919, in the College Lounge, it has been announced by the committee in charge of arrangements.

Music will be provided by Bill Burchit and his orchestra from nine until twelve, and refreshments will be served at 11. Several informal homecoming acts are planned, including introductions of college officials and former students. Admission will be $1.50 per couple, with net proceeds donated to the Student Loan Fund.

The purpose of the reunion is to draw together and make record of a strong nucleus of former students, so that groundwork for the long sought Fullerton Junior College Alumni Association may be laid. College leaders are whole-heartedly in favor of the formation of such as association, the committee declares, and for that reason support this reunion dance.

All former students in this area are urged to contact as many of their school contemporaries as possible, to assure a large attendance. Early indications point to a representative turnout from many classes.

FREE CHRISTMAS WRAPPERS GIVEN WITH SAVINGS BONDS

Free Christmas jackets will be given away with every U. S. Savings Bond purchased as a Yuletide gift, it was announced today by J. B. Messick, state director of the Treasury's Savings Bonds Division for Southern California.

The jackets are in four colors and reproduce a winter scene in the mountains. They can be obtained without charge at banks, post offices and most places which issue U. S. Savings Bonds.

The Treasury this year is particularly urging the giving of bonds at Christmas as "the present with a future," Messeck said.

REMIND PARENTS OF PACK MEETING FOR CUB SCOUTS

The next regular pack meeting for Cub Scouts will be held in the school auditorium on January fifth.

The meeting is called for 7:30 o'clock on that evening, according to information received from Mrs. Al Wilson, one of the den mothers.

CLASS ART WORK ON DISPLAY IN SCHOOL LOBBY

by Donna Lynne Rodger, 5

Miss Dean's fifth grade has knitting, weaving, carved furniture, piece work, braided rugs, hand made spoons, carved ships, log cabin with people, tepee and canoe on display down by the office. The students have done their own work.

We started it this term in our class room. We are doing this to work with these things, and to learn more about them.

When the three ships of Columbus got here the Indians were here and some Indians hated the white people, and so they went on the war path and attacked cabins and forts. And later when the colonial people came to America, they had made or had with them knitting, weaving, furniture, piece work, braided rugs and spoons.

With the knitted squares we hope to make an afghan for the children's ward at the county hospital.

Change Lunches Upper Grades Next Semester

by Donald Adams and Joe Cram, 6-A

The Cypress school lunch period will be changed January 3.

Miss Harding and Mrs. Thompson's fourth, Miss Dean and Mr. Rowe's fifth, and Mrs. Arnold's sixth grade will have the regular lunch period 11:30 to 12:30.

Mrs. Lissner's sixth, Mr. Visel's and Mr. Keefe's seventh, and Mr. Winsor's eighth grades will have lunch from 12 to 1.

Approximately 110 children eat in the cafeteria each day. For this reason the period has been changed. The price is 20c a day or $1.00 a week for children.

We wish them success in their new plan.

"GHOST TOWN TRAIL" MAY BECOME NEW NAME FOR HWY. 39

Possibility that Huntington Beach blvd. (state hwy. 39) may have a name change to coincide with one of the county's major tourist attractions, Knott's Berry Farm, loomed this week.

The Highway Transportation committee of the Associated Chambers of Commerce of Orange county, having learned that there is talk that the state may abandon Hwy. 39 and let it revert to a county thoroughfare, instructed William Gallienne, executive secretary of the Associated Chambers, to communicate with the State Highway Commission and request that the name of the artery be changed.

Highway 39 is also known as Stanton avenue through the community of that name and north to the vicinity of Knott's Berry Farm where it becomes Grand avenue.

Among the names suggested by highway committeemen to be given the highway are Ghost Town Trail, Berry Blvd., Knott's Blvd., Briar Ave., Virginia Rd. (after one of the Knott family) Boysenberry Rd., and Covered Wagon Trail.

The fire siren which was heard Wednesday evening called the volunteers to a special practice with the new truck.

Robert Norton, son of Mr. and Mrs. J. E. Smith, 5701 Vonnie Lane, arrived home Monday morning. His two passengers from Norfolk, Virginia, where they are stationed in the navy, went on to Lynwood and Paso Robles for the thirty-day leave.

Letter To Santa Claus

Dear Santa Claus:

This is a very special letter and we hope you will have time to read it. It isn't the regular kind of letter you get each Christmas but we think it is very important.

We don't want you to pass up any other requests you get from little boys and girls throughout the world. Those cuddly dolls, electric trains, sweaters, dresses, wagons, picture books, guns, and other things dear to the hearts of little ones — keep giving them out. They're important.

And we don't want you to miss visiting the hospitals and sick beds where you rate so high. The hovels and shacks on your list must be remembered, too, because it's so important that the poor not lose faith.

Yes, we want you to fill all the other requests and then fill ours. We are not asking for something for ourselves alone, it's for everybody.

We want California to have the safest and merriest Christmas it has ever had, and we believe you can help.

Pack your bag with generous portions of courtesy for every automobile driver. Sprinkle this courtesy with consideration and judgment. Add some restraint for those who may be inclined to over indulge in the wrong way. Give guidance to our pedestrians so they will stay out of danger.

This is our plea for Christmas, Santa, and we make it in memory of all those who died in traffic last Christmas and New Years.

Sincerely,
The California Highway Patrol

FESTIVE PUNCH FOR HOLIDAY PARTIES

Punch makes the party, especially when it's a gleaming bowl of sparkling golden punch set among grape reds and purples, that tastes as good as it looks.

This Banana-Float Punch has a delicious fragrant, fruity flavor and it's amazingly quick and easy to prepare, thanks to the Real Gold canned lemonade, orange and grapefruit bases which are its principal ingredients. The convenient sized cans give you all the fine fresh fruit flavor with none of the fuss and bother of squeezing and straining.

These canned fruit juice bases are economical, too, because they are all juice and no waste. You'll want to keep a supply of all three flavors on hand to use for a variety of delicious, refreshing drinks.

Banana-Float Party Punch
(makes 30 punch cups)

1 can each Real Gold lemonade base, orange base and grapefruit base
2 cups strong tea
1 No. 2 can crushed pineapple
1 quart water
2 quarts charged water
1 banana

Mix lemonade, orange and grapefruit bases with tea, pineapple and water. Just before serving, pour over ice and add charged water. Slice banana and float on top.

GRAND JURY INVESTIGATES WATER DRAINAGE PROBLEM

Storm water and drainage problems in the rapidly growing unincorporated communities of Orange county, such as Buena Park and Cypress, and lack of county road funds sufficient to pave and curb streets that would correct the difficulties of "growing pains", were viewed with concern" by a grand jury report this week.

Appropriation of $25,000 for county participation in curb and gutter construction was recommended by the grand jury, even though it was recognized as a limited solution.

But the problem, in the main, created by many new subdivisions and increasing congestion in the older sections of the unincorporated communities must be solved by the local communities, themselves, probably on an assessment district basis, the grand jury concluded.

In the Buena Park area, the future improvement of Hansen street, extending along the county line north from Manchester boulevard, half in Los Angeles county and half in Orange county, drew attention because of a projected subdivision on its eastern side. Los Angeles county authorities have assured paving of their side of the highway, when it is needed for expected traffic, the report said.

Coyote Creek

Inspection of the Fullerton relief and Coyote creek flood control channels in the neighborhood of Buena Park, was reported by the county grand jury earlier this week.

The inspection was part of a general survey of flood control conditions and facilities in the county. The grand jury had no comment to make regarding the Buena Park facilities.

CYPRESS LOCALS

Mr. and Mrs. Frank M. Davis left Wednesday to drive to Denver, Colorado. They will attend the wedding of their daughter, Miss Ethel V. Davis, a nurse at Ft. Logan hospital. They expect to be gone about two weeks, and will also visit another daughter while in Denver.

Master Sergeant and Mrs. Bill Ross who have been getting their home in Las Vegas in order, have returned to the latter's parents, Mr. and Mrs. R. C. Cawthon, for the holidays, and will return to Las Vegas on Jan. 3 with their family. Their two children, Billy and Chesley Lynn, have been staying with their grandparents during the absence of their parents.

Mr. and Mrs. Glenn Hubbard left Wednesday morning to motor to Oakland. They were accompanied by her parents, Mr. and Mrs. R. C. Menker of Huntington Park. The group will attend the wedding on Friday of H. E. "Bill" Menker, who was a guest for several week last summer in his cousins' home at 8121 Miller road.

Midshipman Norman K. Howery arrived home Saturday for the holiday season. He is stationed at Corpus Christi, Texas, and will not leave until January first.

Mr. and Mrs. Robert McKee and three boys, Bobby, Jerry and Larry, will spend Christmas at Sequoia national park, returning on Monday.

Mr. and Mrs. Dan Mackay, 8642 La Homa street, announce the birth of their eighth grandchild, Steven Winfield Mackay, in St. Mary's hospital in Long Beach on December 15, weighing eight and a half pounds. Parents of the little newcomer are Mr. and Mrs. Winfield Mackay of Long Beach.

A report of communicable diseases in Orange county for the two-week period ending December 17 shows 81 cases of mumps and 19 of chicken pox to be the highest numbers.

Tommy Qualls, who works at Douglas, left Tuesday morning to drive to Madisonville, Kentucky. He will visit his mother and two brothers, and will not return to Cypress until January twentieth.

Dr. Penury of UCLA brought his class of 100 student teachers to visit Knott's Berry Farm and Gold Mine. Dr. Penury has been across the country 33 times and remarked that the Farm has one of the best displays of early colonial mining he has seen anywhere.

Mr. and Mrs. Oscar Jones, formerly of Phoenix, Arizona, have been visiting her uncle, A. L. Qualls. They purchased property in Lakewood Village this week, where they will make their home.

Don Hubkey, grade school student has been forced to remain at home at 5662 Bishop street for the past three weeks due to a foot infection.

Otho Switzer re-entered the hospital in Covina a week ago Tuesday. His friends in Cypress want him to know that they are wishing him a Merry Christmas. and a safe return home.

Mr. and Mrs. Howard Kopsho and daughter, Laura Jean, visited the Al Lewis family last Sunday in Wilmar. The latter moved from here a few months ago.
